## **Rounds**

### **Mary –The Flame of Love**

- In the mandate the Creator gave to Mary to place the destiny of the human race in safety.
- In the nothingness of the little flame that is fed by God.
- In the many tears and sighs of Mary for us, Her children, that smothered the fire of Divine Justice.
- In the total love that Mary accepted the mandate by saying to the Trinity, “Most High Majesty, here I am in your arms: dispose of Me as You wish. I will offer My life for what You wish; and even if I would have as many lives for as many creatures there are, I would put them at your disposition to bring everyone safely into your paternal arms.”
