Dear Lovers of the Divine Will,

Linda Wawryk's brother had a very serious stroke and Linda has gone to be with him to help out. She did not have a chance to get a new lesson to me, so I took an old lesson and updated it in form only to put on the website for today.

Linda was very concerned that she did not get a new lesson to send out, but the more we go over the lessons we already have, the more understanding and knowledge we are going to receive from them. It seems to me that these lessons are not for just one time. They should be studied over and over again.

So, with the way things are going in the world today, I thought it might be good to study (again) where we will all end up if we give in to our human wills and not be constantly aware of God's immense desire to reign in our very poor souls with His Holy and Mighty Divine Will! May the Divine Will be accomplished perfectly in all of us!!

Please keep Linda's brother in your prayers. He was walking today, but still could not eat or drink. He is being tube fed.

Fiat always for the glory of our Heavenly Father!
Ann Ellison
