## **Passport and Signatures of the Divine Will**

### **LESSON 299**

January 15, 2016

The passport to enter the Kingdom is to never do one's own will, even at the cost of one's life. This is as the signature one puts on the passport to depart into the Kingdom of the Divine Will. While the creature signs to depart, God signs in order to receive her. This final signature will have so much value that all Heaven will go to meet her and receive her into the Kingdom.
